Requirement:

- EU citizenship
- Recognised specialisation as a GP (Family Medicine)
- English language level of minimum IELTS 7.0*

Paragona is a leader in international recruitment of European GPs. For the last 15 years we have helped thousands of doctors and family members to relocate across Europe. On average, after three years, 95% of our doctors stay in their new country. We recently completed the most successful NHSE Pilot Project for International Recruitment of GPs to the UK.

Deadline for applications
Sunday February 4, 2018

Learn more about the offer at info@paragona.com

*IELTS is not required at the entry of the program,
but candidates must pass the exam in order to register with the GMC.
